<b>Inherent Spell</b>	[Eclipse, p.33]

These spell-like abilities are cast as if by a Sorcerer or Psion of the character's level. Inherent spells generally have a minimum level requirement of ([Spell Level x 2] -1), but the Game Master may opt to allow exceptions for very low-level characters and/or non-combative inherent spells. A first level character with Scrying is much less of a problem than one with Fireball in most games., You may take this ability multiple times. Upgrades do not carry over; each base ability begins its own sequence of related abilities.
