		Heavy	520
		Push / Drag	2600

SPECIAL ATTACKS	
<b>Valor Form (Su)</b>	Valor Form is the first Drive that you become able to do. When you Drive into Valor Form, you gain numerous benefits. You gain a +4 bonus to both Strength and Dexterity, as well as a +4 bonus on Jump checks. In addition, if you own more than one keyblade or keychain, you are able to use both of them, gaining the benefit of the Two-Weapon Fighting feat even if you don't meet the prerequisites. If you don't have two keyblades, the Form creates a nonmagical, masterwork copy of the one you do have. When you Drive into Valor Form, you must have at least 30 points in your Drive Gauge. When you Drive into Valor Form, the Drive Gauge is reset to 30 points.
<b>Warcraft</b>	+6 BAB
<b>Keyblade</b>	Atk Penalty -0, Level Penalty -0, MP Loss -0, HP Loss -0

SPECIAL QUALITIES	
<b>Companion</b>	Gain a companion of your choice
<b>Corrupted ~ Decreased Cost (6 to 4) (Equipment)</b>	
<b>Disadvantage - Hunted</b>	Someone's out to get you. You may be an outlaw, have personal enemies, or have been marked by some mystical entity. The nature of your foes should be decided in consultation with the GM. As a rule, you cannot simply confront your hunters and fight it out with them. They're either numerous, powerful, or secretive.
<b>Disadvantage - Obligations</b>	You have responsibilities which you cannot easily discharge. You may have dependents, debts, a geas, massive tithes, oaths to fulfill, a job which you cannot readily leave, be sworn to the service of a lord or ruler, or just have friends who need looking after. This is a wonderful way to get dragged into adventures.
<b>Disadvantage - Unarmored</b>	You refuse to use armor for some reason. Characters who already suffer major penalties for wearing armor can't take this disadvantage.
<b>Duties (+2)</b>	A character with Duties has extensive obligations. These restrict his or her time and freedom of action, as well as draining his or her resources, but also mean getting a lot of practice or extra training. This typically includes Druids, Clerics, and Paladins. Ignoring your duties brings on various penalties. Strangely, this continues until the GM feels you have enough penalties to equal the points you got from Duties.
<b>Equipment (I)</b>	A character with Equipment can always find minor items (With a maximum value of 2 gp per level per week) on his or her person. It does not matter if the character is locked naked in a dimensional vault; he or she can always locate the required goods. Sadly, all versions of Equipment are limited to things that the user can reasonably carry; normal humans cannot pull five tons of dirt out of their back pocket just because it's cheap.
<b>Equipment ~ Link</b>	Allows the user to bond with a specific item currently in his or her possession. From then on, the user may pull it out of nowhere on a moment's notice.
<b>Equipment ~ Purchasing</b>	Allows the character to stuff money into his or her pockets and pull out gear in exchange. Availability is up to the GM, who may require Gather Information rolls or a similar check for exotic items.
<b>Fast Learner (+1)</b>	Actually purchased as a feat for 6 CP, this ability grants extra CP as the character rises in level. Specialized versions are available and encouraged. No one may take Fast Learner more than once unless it's been built into a template, race, or class by the Game Master.
<b>Occult Skill ~ Psychic Ability ~ Clairsentience</b>	You have the potential to learn clairsentience skills.
<b>Save ~ Will (, , )</b>	Increases the Will Save by +3
<b>Specialized ~ Half Cost (6 to 3) (Companion)</b>	
<b>Weapon Prof ~ All Simple and Martial Weapons</b>	Grants Proficiency with all simple and martial weapons.
<b>Any Weapon Rod</b>	Quicksilver metal rod can become any weapon of a non-complex nature, up to a crossbow. It will form the desired weapon as a Free Action. May have other properties that as of yet are undiscovered.
<b>Natural Weapon (Claw)</b>	You can use your sharp claws to deal lethal (slashing) damage instead of nonlethal damage with an unarmed attack. Attacks made with natural weapons do not provide attacks of opportunity. The damage of this attack is the base creature's normal unarmed combat damage.
<b>+4 racial bonus on saves against sleep and paralysis</b>	
<b>Familiar</b>	
<b>Illan Racial</b>	+1 skill point per level for psychic abilities
<b>Mental Link</b>	You are automatically in Mental Contact with your companions
<b>Occult Skill ~ Psychic Ability</b>	You have the potential to acquire psychic feats and skills.
<b>Occult Skill ~ Psychic Ability ~ Telepathy</b>	You have the potential to learn telepathy skills.

FEATS	
<b>Feat Conversion to CP ~ 6 (, , )</b>	Covert regular feat to Character Points
<b>Wild Talent (Psychic (Appoint), Psychic (Psychometry))</b>	You have the potential to learn the selected psychic skills.
<b>Dragonblood</b>	Sorcerer is a favored class for you. This is in addition to your favored class based on race.
