|                            | FEATS   |
|----------------------------|---|
| Dodge                      | During your action, you designate an opponent and receive a +1 dodge bonus to Armor Class against attacks from that opponent.   |
| Improved Initiative        | You get a +4 bonus on initiative checks.  |
| Point Blank Shot           | You get a +1 bonus on attack and damage rolls with ranged weapons at ranges of up to 30 feet.   |
| Weapon Finesse             | With a light weapon, rapier, whip, or spiked chain made for a creature of your size category, you may use your Dexterity modifier instead of your Strength modifier on attack rolls. If you carry a shield, its armor check penalty applies to your attack rolls. |
| Weapon Focus (Longbow)     | You gain a +1 bonus on all attack rolls you make using the selected weapon.   |
| Armor Proficiency (Light)  | When you wear a type of armor with which you are proficient, the armor check penalty for that armor applies only to Balance, Climb, Escape Artist, Hide, Jump, Move Silently, Pick Pocket, and Tumble checks.   |
| Endurance                  | You gain a +4 bonus on checks relating to stamina or extended physical activity. Also, you may sleep in light or medium armor without becoming fatigued.  |
| Martial Weapon Proficiency | Choose a type of martial weapon. You understand how to use that type of martial weapon in combat.   |
| Shield Proficiency         | You can use a shield and take only the standard penalties.  |
| Simple Weapon Proficiency  | You make attack rolls with simple weapons normally.   |
| Track                      | To find tracks or to follow them for 1 mile requires a successful Survival check. You must make another Survival check every time the tracks become difficult to follow.  |
| Manyshot                   | As a standard action, you may fire many arrows at a single opponent within 30 feet.   |
| Rapid Shot                 | You can get one extra attack per round with a ranged weapon. The attack is at your highest base attack bonus, but each attack you make in that round takes a -2 penalty. You must use the full attack action to use this feat.                                    |
