Smite Evil (Su) 2/day
Special Mount (Sp)
Turn Undead (Su) 9/day (turn level 2) (turn damage 2d6+6)

	FEATS
Blind-Fight	In melee, every time you miss because of concealment, you can reroll your miss chance percentile roll one time to see if you actually hit.
Cleave	If you deal a creature enough damage to make it drop, you get an immediate, extra melee attack against another creature within reach. You can use this ability once per round.
Improved Critical (Sword (Bastard))	When using the weapon you selected, your threat range is doubled.
Infuse Weapon	Grant +1d6 points of elemental damage to weapon
Power Attack	On your action, before making attack rolls for a round, you may choose to subtract a number from all melee attack rolls and add the same number to all melee damage rolls. This number may not exceed your base attack bonus.
Track	To find tracks or to follow them for 1 mile requires a successful Survival check. You must make another Survival check every time the tracks become difficult to follow.
Weapon Focus (Sword (Bastard), Longsword)	You gain a +1 bonus on all attack rolls you make using the selected weapon.
Weapon Specialization (Sword (Bastard))	You gain a +2 bonus on all damage rolls you make using the selected weapon.
Armor Proficiency (Heavy)	When you wear a type of armor with which you are proficient, the armor check penalty for that armor applies only to Balance, Climb, Escape Artist, Hide, Jump, Move Silently, Pick Pocket, and Tumble checks.
Armor Proficiency (Light)	When you wear a type of armor with which you are proficient, the armor check penalty for that armor applies only to Balance, Climb, Escape Artist, Hide, Jump, Move Silently, Pick Pocket, and Tumble checks.
Armor Proficiency (Medium)	When you wear a type of armor with which you are proficient, the armor check penalty for that armor applies only to Balance, Climb, Escape Artist, Hide, Jump, Move Silently, Pick Pocket, and Tumble checks.
Martial Weapon Proficiency	Choose a type of martial weapon. You understand how to use that type of martial weapon in combat.
Shield Proficiency	You can use a shield and take only the standard penalties.
Simple Weapon Proficiency	You make attack rolls with simple weapons normally.
Tower Shield Proficiency	You can use a tower shield and suffer only the standard penalties.
Leadership	Benefits: Having this feat enables you to attract loyal companions and devoted followers, subordinates who assist you.
Mounted Combat	Once per round when your mount is hit in combat, you may attempt a Ride check (as a reaction) to negate the hit. The hit is negated if your Ride check result is greater than the opponent's attack roll.
Ride-By Attack	When you are mounted and use the charge action, you may move and attack as if with a standard charge and then move again.

#### **PROFICIENCIES**
