Josh's Military Life Package

Recurring Bonuses

Duties

(+2) A character with Duties has extensive obligations. These restrict his or her time and freedom of action, as well as draining his or her resources, but also mean getting a lot of practice or extra training. This typically includes Druids, Clerics, and Paladins. Ignoring your duties brings on various penalties. Strangely, this continues until the GM feels you have enough penalties to equal the points you got from Duties

DISADVANTAGES

Compulsive (Overwhelming desire to exceed expectations of you. (Push yourself to be the best soldier ever))

[Eclipse, p.18]

[Eclipse, p.17]

You have some particular mania or "code of conduct" which influences everything you do. Likely compulsions include the classic manias (like Pyro- or Klepto-), an overwhelming love or hatred, greed, dedication to some peculiar goal, truthfulness, extravagent spending, or even virtue. Codes include things like Hippocratic Oaths or Chivalry. Characters that ignore their compulsions take a 20% experience penalty.

Incompetent (-5 to one skill) (Persuasion)

[Eclipse, p.19]

You suffer from a '-5' modifier on one GM-selected skill.

Obligations (Military Service)

[Eclipse, p.19]

You have responsibilities which you cannot easily discharge. You may have dependents, debts, a geas, massive tithes, oaths to fulfill, a job which you cannot readily leave, be sworn to the service of a lord or ruler, or just have friends who need looking after. This is a wonderful way to get dragged into adventures.

Eclipse Abilities

Bonus Attack (Cleave)

[Eclipse, p.51]

Corrupted (Only applies if last melee attack drops foe) [Cleave]

Corrupted for Decreased Cost (Bonus Attack)

[Eclipse, p.22]

Damage Reduction 4/- (Physical Attacks Only

[Eclipse, p.29]

[Corrupted only while wearing Medium Armor])

This applies to all damage sources, including magical and energy-based attacks. Characters commonly specialize it by applying it only towards physical attacks, energy attacks, magical attacks, or another GM-approved specialty. The Corrupted modifier can be added by leaving an additional common "hole" in your defenses. For example, silver weaponry or fire spells would apply to physical reduction or magic defenses, respectively. ! You may take this ability multiple times. Each time, you add another type of damage reduction.

Expertise

[Eclipse, p.32]

(6 CP). A character with Expertise selects two related abilities, attributes, or other scores. He or she may reduce one of the selected abilities' bonuses at any time by up to -5 to add a equal amount to the other bonus. Usually, characters take this for Warcraft (BAB) and AC or damage, but many other combinations exist

Improved Critical (Longsword)

[Eclipse, p.53]

(6 CP). Improved Critical doubles a specific weapon's critical threat range.

Legionary

[Eclipse, p.53]

(6 CP). A Legionary has great coordination when fighting in a team. The character gains +1/2/3 bonus to AC, Attacks and Reflex Saves when teamed with 1-2/3-4/5+ others with who also possess this feat.

Notes:

Character Sheet Notes:

Bonus Attack - Corrupted (Only applies if last melee attack drops foe) [Cleave]
DR:4/- Physical Only, Corrupted (Only while wearing Medium Armor) 6 CP
